Zoning Ordinance – Town Road Acceptance process. Shawna reviewed the subject with the Code Enforcement Officer, Dean Bennet. With the current structure, Selectmen / Town Meeting form of government, he didn't believe there was a way for Selectmen to approve or accept a road without a vote by the townspeople. Dean Bennet strongly suggested a legal opinion in the form of a workshop to include the Towns attorney, Planning Board, and Selectmen. The board directed Shawna to ask the Planning Board to research how other Towns handle this process between the developer and the town.
